Professional experience

- He is the global head of the gaming and gambling practice.
- He is one of the leading Italian gaming and gambling lawyers with a specialist practice of more than 16 years. He acts for many Italian and foreign-based online and land-based companies operating in the Italian gaming market advising them on business strategy, legal, licensing, regulatory and any other operational aspects connected to their activities.
- He advised most of the foreign-based companies currently operating in Italy throughout the licensing and subsequent go-live process thus accumulating over the two span of the two previous licensing rounds (2006 and 2011) a track record second to none as well as a vast and almost unique hands-on experience.
- Alongside his robust and long-established legal and regulatory practice he also runs a bespoke matchmaking and business strategy service to provide clients with a broader and more customised type of assistance that notably includes also introduction and facilitation of dealings with the local regulatory authorities, banks as well as scouting and suitability checks on potential business partners. He is also heavily engaged in the sports & entertainment fields and regularly advises market analysts, banks, investment houses and venture capital funds directly or indirectly involved in the Italian market.
- He is a regular speaker at most European and international gaming conferences and sits in the editorial board of various sector reviews and magazines.
