About

RESTAURANTS
AND VENUES

Osteria il Collegio

Restaurant in the center of Rome with a fusion of traditional and modern taste. The Santarelli family, active in the wine trade for more than a century, has launched a project to revive Piazza Capranica's historic "Wine & Oil Store" in a modern style, without sacrificing the ambient mood of the 1930s.

"Collegio" takes its name from the nearby Via del Collegio Capranica, where, at number 41, the formal address of "Berardino Santarelli & Sons", this story began. Piazza Capranica's historic winery has been transformed into a contemporary venue where customers can enjoy dishes inspired by Roman tradition and local produce, paired with delicious wines and signature cocktails.
