Turn you passion into your career

Academic Stay

## Where law meets the excitement of sports

Lead in Sports Law

The ISDE Master’s in International Sports Law: your pathway to an **exciting legal career** in the thrilling world of global sports. This program stands out for its academic excellence and innovative approach, offering **comprehensive training** in Sports Law. It provides a **deep understanding** of the legal challenges affecting the sports world and is enriched with the practical experience of professors who are active experts in the industry.

By immersing yourself in this master’s program, you will explore the **impact of international laws** on various aspects of sports, from player contracts to competition regulations. This balance between **theory and practice** is essential, and you will have the opportunity to apply your knowledge in professional internships at globally recognized sports organizations. These experiences will not only **strengthen your legal skills** but also connect you with a **global network of professionals**, providing you with countless opportunities in the field of sports law.

Firms that design, lead, and deliver this training:

### THE PROFILE

#### It’s for people...
